As if they were drawn yesterday – Erdmann & Rossi art prints

In conjunction with our licensing partner Automobilclub von Deutschland (AvD), we are pleased to be able to present an exclusive portfolio of art prints featuring designs from the historical body builder Erdmann & Rossi. The designs were created between 1916 and the end of the 1930s.

The portfolio comprises six screen-printed sheets of 67 x 34.5 cm with the same visual quality as the originals. Up to 12 colours have been used for each motif, allowing for differentiated image shadowing with each colour.

These artistic masterpieces are a must for any automobile-mad bibliophile collector.

Miscellaneous: They are also ideal for decorating your own four walls. The prints are accompanied by an enlightening brochure on the history of Erdmann & Rossi.

Limited quantity (200 pieces), numbered and hand-signed.

Price: EUR 670 (incl. VAT and delivery costs) / CHF 750 / USD 780 Delivery only with advance payment.

The contract is concluded with our licensing partner Automobilclub von Deutschland (AvD).
